Shanthi Sadhana, Franciscan Institute of Spirituality, India, (FISI), run by Capuchin Fathers of Holy Trinity Province - Karnataka, functions as an unique centre of study and research to discover an extraordinary relationship with all the creation & creatures inspired by St. Francis of Assisi and learn how we ourselves might relate to nature and the world in a new way; how to relate to God's creation as members of God's family. In declaring St. Francis of Assisi the Patron saint of those who promote care for nature, the Church recommends St. Francis as a guide for animal and nature lovers, environmentalists and ecologists and shows us how to live in a way that respects and honours nature as God's creation.
